

**Item Code: AS01-1M**

Endless textile PPE anchor sling

## Overview

Manufactured using the same durable materials as a lifting sling, the PPE anchor sling is designed for use in work at height activities. The flexible nature of the construction allows for a diverse range of uses; choked, end-to-end, or in basket. The sling is portable, light, and tough - an essential accessory. Designed and manufactured in the UK.

## Key Features

Effective length: 1m

Installation mode(s): direct, choked, basket

Polyester webbing outer sleeve

Polyester yarn core

MBS: >18kN

## Technical Features

Standard	BS EN795:2012 Type B
Compliance	CE UKCA
Max user	Single user only
Materials	Polyester
