

Product Specification Sheet

PPE Anchor Sling

Item Code(s): AS01

Manufactured using the same durable materials as a lifting sling, the PPE anchor sling is designed for use in work at height activities.

The flexible nature of the construction allows for a diverse range of uses; choked, end-to-end, or in basket. The sling is portable, light, and tough – an essential accessory.

Specs:

- MBS: 18kN
- Polyester yarn core
- Polyester webbing outer sleeve
- Standard sizes: 1m, 2m, 3m & 4m – other sizes made on request
